

**33RD ANNUAL
PADRE
FASHION SHOW**

Just the FACTS

Facts - Questions - Information

What: The PADRE Foundation Fashion Show is a unique evening involving professional models and our own PADRE kids, who are all living with Type 1 diabetes. First and foremost, this is our largest fundraiser, assisting in funding our many educational and social events which support our youth and families throughout the year. Secondly, it is a major psychosocial event. The friendships and support that develop between models, parents, families, and friends from this event are priceless.
